

6.6 Appendix F: Minimum Technical Requirements – Experience of Bidder

Please fill in the following form for each key member of the Bidder Team. In addition, provide a resume for each Bidder Team Member.

Name of Bidder Team Member:	
Area of Specialization:	
Length of experience:	
Description of experience:	
Anticipated role in this project:	

In addition, please also provide the following information:

- the names of every member of the Bidder Team (who should be a member of the company that directly owns the project) and a short description of their role regarding the development, construction, operation, and delivery of the proposed project;
- an organizational chart that provides a schematic representation of ownership and contractual links among all entities or individuals involved in the development, construction, financing, and operation of the project; and,
- identify individuals who will be responsible for operating the project and list specific operational qualifications for these individuals. If operation of the project will be outsourced, please identify what company will take on this responsibility and what their qualifications are.
